ACCOMMODATION

Do you have guests coming from far and wide? We offer special rates to all of your guests so they don't need to stress about finding somewhere to stay for your special day!

For current prices please speak to your Wedding Coordinator.

MAKING YOUR BOOKING

1. Once you have your date and have discussed your day with your wedding coordinator you can make a provisional booking that we can hold for two weeks. In this time you need to confirm and secure your wedding ceremony - either church service, at the registrar's office or a registrar coming to the hotel.
2. We then require a £500.00 non-refundable deposit to secure your booking. After this you will be sent out a preliminary contract which will contain confirmed time of ceremony, minimum numbers and your contact details. You will need to sign a copy of the contract and return to the hotel.
3. You can arrange a meeting with your wedding coordinator at anytime to go over any details or answer any questions you have. Usually 6-8 weeks before your wedding your Wedding Coordinator will arrange a meeting to go through the final details of your day.
4. A minimum of two weeks prior to the function we require all final details and full payment.
