Dear Wendy

We thoroughly enjoyed our break  
at Wallingford - what a friendly  
& helpful team there. The food  
was very tasty, we enjoyed the  
small town & particularly the  
meadows walk, castle grounds that  
lead to the river - no sun shame  
albeit cold! We visited Blenheim,  
they were filming a Bollywood film - thought  
the red carpet was out for us! Went  
into Oxford by bus to see our  
grandson's Uni - 11 years to wait for  
that!! On a wet + windy <sup>Sunday</sup> visit to  
Greys Court - National Trust - this  
was one of the best ones we have  
visited - there have been many.....

Finished up with a couple of days in  
the Cotswolds, accommodation not nearly  
as good I might add! Back home +  
delighted to have had a sunny garden  
day today.

Trust all is well with you +  
enjoy your holidays in the warmer  
climes.

We are already thinking about  
getting another "gold" card or two  
for our next visit! Are they still  
available or is it just the winter months?

All the very best + thank you for  
your help AGAIN!

Sylvia + Ian Lane

Please let the Hotel know how  
much we enjoyed our break
